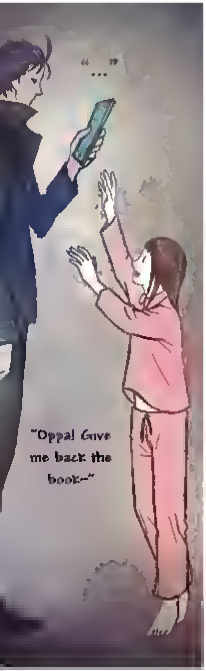
TALE 5

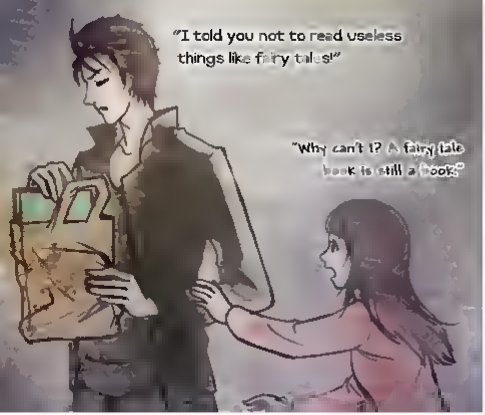
Jack and the beanstalk and Juliette

Author Yoon Hyunsuk

Art Yeonwoo

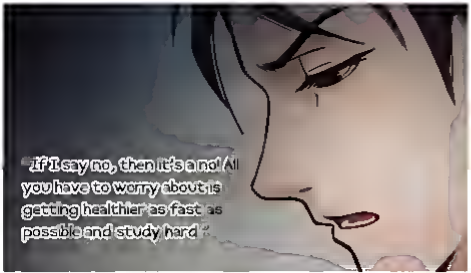


*Oppa= older brother

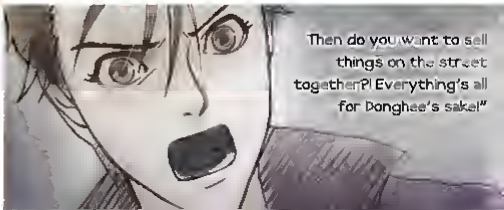


"I told you not to read useless things like fairy tales!"
"Why can't I? A fairy tale book is still a book."

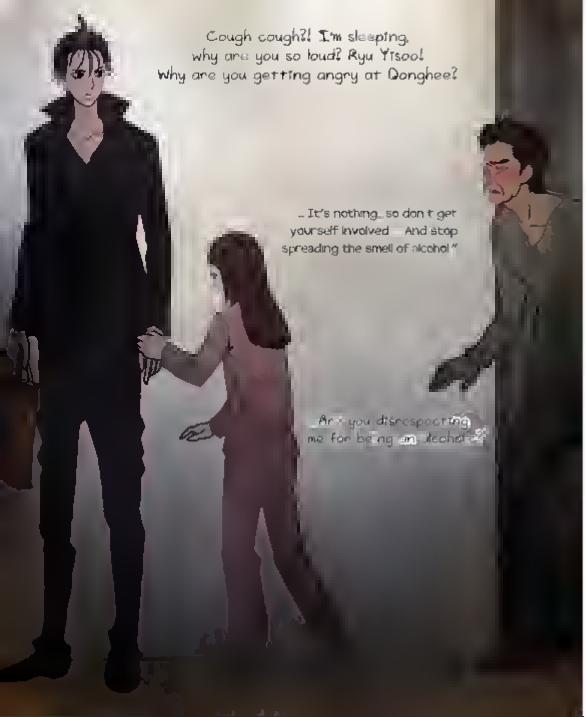
Don't be a hypocrite! Oppa doesn't study, either!



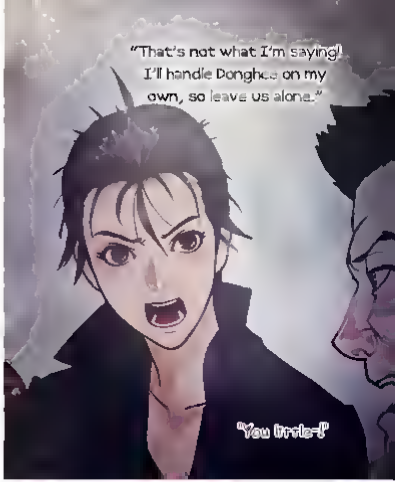
"If I say no, then it's a no! All you have to worry about is getting healthier as fast as possible and study hard."



Then do you want to sell things on the street together?! Everything's all for Donghee's sake!"



Cough cough?! I'm sleeping.
Why are you so loud? Ryu Yisoo!
Why are you getting angry at Donghee?
.. It's nothing.. so don't get yourself involved.. And stop spreading the smell of alcohol."
"Are you disrespecting me for being an alcoholic?"



"That's not what I'm saying! I'll handle Donghee on my own, so leave us alone."
"You brute-!"

"S-stop..."

THUD-
HUH?!
D-Donghee?!
Donghee!!

In the ambulance, the boy grabbed
Donghee's hand tightly and prayed .
But he did not place
hope in any god.
Because his prayer was all
for the sake of his little sister-
Donghee's sudden
fainting is not a first.
However, this is the
kind of situation that
no one can ever get
used to.

"Fortunately, she's managed to get through this time as well."

"Whew..."

However, her fits have become more frequent.

If her condition worsens while she experiences aftereffects, she'll need to have surgery...

The operation charges

'Operation charges?...'

...In the end, it's all about money
Everything can be solved with money...
The boy wandered aimlessly and stood in front of an enormous mansion that was like Goliath.
How did you guys end up living in a place like this?
What are the people like, who live in a place higher than the clouds?
The boy wandered around for a while and stopped at a stone wall filled with ivies.

"Please open the door, sisters!

I'm telling you there's something lost while I was yesterday!"

KNOCK

KNOCK

KNOCK

"Where do you keep going off to? Stop making lame excuses and just quietly stay where you are!"

"We're gonna go take a nap~ Hehe

The door was locked tightly
The e wa o way
for the blind girl to escape

Window 2"

The boy unconsciously started to climb the vines of the wall
Whether he wanted to take their money, or simply see what kind of people lived beyond this wall
he did not know either
When he barely made it to the top,
BARK
BARK
BARK
"Huh?"

In the place beyond the walls and the vines,
was the girl who could not see.
"It's ... you again?"
"...Huh?"
That was
the two's
second meeting
